Product Description	Pro Breeze 2L Air Fryer 1000W with Digital Display, Timer and Fully Adjustable Temperature Control
Country of Origin	China
Product Recall Reason	The safety of our customers always comes first. As a precautionary measure we are recalling this product from sale with immediate effect. We are requesting the product recall due to a small number of failures due to abnormal use, which have led to the unit smoking, which in extreme cases can lead to a fire hazard.

### What you should do:

Check if you have bought an affected Air Fryer by checking the label on the base of your air fryer or the bottom of the box.

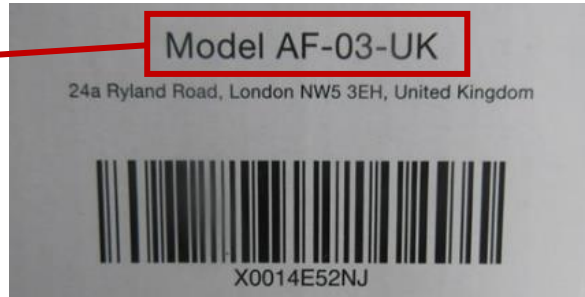

#### Affected Product Details

**Model No:** AF-03-UK

**Batch No:** 20061101 | 20061102 | 20101001 | 20101002 | 20120903 | 21012603 | 21031540

The box of your Air Fryer will list the model number of the product. The label on the base of your Air Fryer will list the model number and the batch number.

### Bottom of Box Packaging

### Base of Air Fryer

If you have bought a ProBreeze 2L Air Fryer (Model Number AF-03-UK), from the selected batches, please stop using the product and contact the ProBreeze (One Retail Group) customer care team to obtain a full refund or an alternative product.
